

We SELL TRUNK SERVICE

Buy the Indestructo Trunk and Luggage

We believe that when one buys a trunk the trunk question should be settled for at least the next five years. With every Indestructo trunk we sell, we are prepared to give the purchasers an insurance

policy guaranteeing the replacement of his trunk in case of total loss or destruction and the free repair of it in case it is not totally lost or destroyed. A guarantee of this sort is, we believe, the strongest argument we can offer. When you buy an Indestructo trunk you can depend upon it that your trunk troubles are settled for five years. Can you afford to buy a trunk which will do less?

We are showing a fine variety of Bags and Suit Cases from the best of leathers in many styles.

Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
F. J. CHENEY & CO., Toledo, Ohio.
Sold by Druggists. Take Hall's Family Pills for constipation.

The "Kiddies" Know Good Soda

Did you ever watch the little folks and notice to what degree they are governed by impulse? They are quick to form likes and dislikes and to make comparisons by mere instinct.

We enjoy a large share of the children's trade in this community because they like our courteous treatment and prompt service.

But when they come to the Soda Fountain it is because they know what delicious drinks we serve. Our Soda Water has a charm that brings people—children and grown-ups—back again and again. It's made of pure materials, skillfully blended.
